A foster child from [Miami](#) who got a perfect score on her FCAT exam won a trip to the most magical place on Earth.

The girl, a third-grader at West River Elementary, was treated to a [Disney World](#) trip after notching the perfect score on the state test in math and reading.

It's a welcome trip for the unidentified youngster, who was removed from her birth parents home just last year because they were involved in drugs and gangs.

Our Kids, the [Miami-Dade](#) based agency that places at-risk kids in foster homes, surprised the girl and her foster parents with the trip.

The agency said the girl witnessed a lot of violence at her home but has excelled in her studies regardless.
