## Sponsorship Packages

Heighten your visibility and brand recognition through sponsorship. For 20 years, Florida's top businesses have put together teams to compete for bragging rights of the best bowling team in South Florida. And all to help a great cause! Through our partnerships with the Daily Business Review, Soul of Miami, Social Miami and the Dade Bar Association, we reach over 40,000 people with the marketing and advertising for the event. Last year, over 300 professionals attended. This is your chance to reach a highly targeting audience of high-income individuals; lawyers, bankers and other business people. Sponsorship packages are designed to help you get noticed, build partnerships and make a strong impact in the minds of attendees long after the Tournament. The proceeds of this event will go to support critically important programs aimed at treating and preventing child abuse and neglect.
